

## WHAT OUR CUSTOMERS HAVE TO SAY...

*I have been staying at Moreno's since 2001, and it has been the best week of my summers. Quiet, quaint and cozy, the nicely appointed cabins provide a pleasant, rustic atmosphere (with cable TV of course, my rusticness has its limits...). And when I leave, I feel like I really have been on vacation.*

*My friends and I have stayed at Moreno's Cottages for several years. We attend the annual Rugby Tournament in August and couldn't have found a more accommodating place to stay. The cabins are rustic and well maintained and the hosts Dave and Joyce are just like family. We look forward to going up from Delaware each summer to visit and enjoy the Lake Placid/Saranac Lake area. I highly recommend Moreno's Cottages if you want to get away from it all!*

*Moreno's provides a unique and memorable retro experience in a cozy Adirondack setting. The owners know the area very well, therefore providing valuable information for a great time!*

*I hate to share this secret, but the things I like about Moreno's are the owners and location, location, location. Since it lies closely between Saranac Lake and Lake Placid, it provides easy access for so many fulfilling activities. The surrounding "High Peaks" provide the ultimate setting with a soothing, refreshing, and soulful feeling that only the Adirondack Mountains can provide. This experience will leave you breathless with a lasting memory that will only ignite a desire to come back for more!*

Clarks Summit, PA

*We have been staying at Moreno's for the past seven years. The place is a little slice of heaven and a perfect retreat! Joyce and Dave are always accommodating and the price is great. They are located VERY close to everything but you are still in a peaceful location.*
